

MEMORANDUM OF UNDERSTANDING

Dalat University (hereinafter referred to as “Party A”) and Konkuk University Glocal Industry-Academic Cooperation Foundation (hereinafter referred to as “Party B”) enter into this Memorandum of Understanding to promote mutual collaboration and development as follows:

Article 1 (Purpose)

The purpose of this MOU is to establish a fundamental framework for cooperation between the two parties based on mutual trust, aiming to undertake “Comprehensive Research Collaboration for the Protection and Management of Endangered and Wild Species.” Through this collaboration, both parties will endeavor to promote mutual development by facilitating personnel exchange, operational linkage, and other cooperative efforts.

Article 2 (Scope of Cooperation)

Party A and Party B agree to cooperate on the following matters:

1. Research collaboration and support for the project "Global Research Laboratory Support Program of the National Research Foundation of Korea (Behavioral Ecology Control Technology for Wildlife Based on Reinforcement Learning Applied Generative AI Models)."
2. Comprehensive research collaboration for the protection and restoration of endangered species.
3. Exchange of research personnel and support for outstanding human resources (including expert lectures).
4. Cooperation in utilizing research and educational resources of both parties.

5. Collaboration on research projects and other areas of mutual interest necessary for the advancement of both parties.

Article 3 (Confidentiality)

Both parties shall maintain confidentiality concerning all information and data obtained through this MOU based on the principles of good faith and sincerity. Any disclosure of information to external parties requires prior consent from the other party unless disclosure is mandatory.

Article 4 (Term of Agreement)

This MOU shall remain in effect for two (2) years from the date of signing. The MOU may be renewed through written consent at least one (1) month prior to the expiration date. However, the MOU may be terminated at any time during the validity period by mutual agreement if the objectives have been achieved or deemed unattainable.

Article 5 (Supplementary Provisions)

Matters not explicitly specified in this MOU shall be resolved through mutual consultation in alignment with the objectives of this agreement and in accordance with customary practices.

In witness whereof, this MOU has been executed in two (2) copies, with each party retaining one (1) copy.
